

Missouri's Military Locations

Rosecrans Air National Guard Base
The base's host wing, the 139th Airlift Wing (139 AW) of the Missouri Air National Guard, currently operates C-130H2 Hercules theater airlift aircraft and is operationally-gained by the Air Mobility Command (AMC).

Lake City Army Ammunition Plant
Lake City Army Ammunition Plant conducts contract oversight and provides quality small caliber munitions to the Warfighter and operates the North Atlantic Treaty Organization (NATO) test center.

Kansas City Plant NNSA
NNSA is a semi-autonomous agency within the U.S. Department of Energy responsible for enhancing national security through the military application of nuclear science. Produces 85% of nuclear weapons components.

Whiteman AFB
Home of the 509th Bomb Wing which operates and maintains the B-2 Bomber, the 442nd Fighter Wing and the 1-135th Assault Helicopter Battalion.

Maneuver Training Area Camp Crowder
Training site for Missouri and state other National Guard units that is regularly utilized for predeployment training.

Naval Operations Support Center KC
This center supports Naval operations.

Marine Corps Reserve Support Command KC
Provides support to Marine Corps Reserve forces.

Camp Clark
Currently used as a training site for the Missouri Army National Guard. During World War II Camp Clark was used as a POW camp for captured German and Italian Prisoners of War.

Springfield Aviation Classification Repair Depot
This depot is operated by the 1107th Theater Aviation Sustainment Maintenance Group (TASMG) Missouri Army National Guard.

National Guard Headquarters
National Guard headquarters that organizes, trains and prepares a family and community based force of ready citizen Soldiers and Airmen as units to defend and serve the people of Missouri and the United States of America.

Army Support Training Center
This training center provides maintenance, classroom and office space as well as a rifle range, obstacle course and wilderness area for training exercises in support of the 88th Regional Support Command.

National Geospatial Intelligence Agency
The National Geospatial-Intelligence Agency (NGA) delivers world-class geospatial intelligence that provides a decisive advantage to policymakers, warfighters, intelligence professionals and first responders.

Ft. Leonard Wood
Home to the Maneuver Support Center of Excellence, Fort Leonard Wood now trains and educates service members and develops doctrine and capabilities for the Training and Doctrine Command's U.S. Army Chemical, Biological, Radiological, and Nuclear School, U.S. Army Engineer School, and U.S. Army Military Police School.

Wappapello Training Site
Training Site is located on United Forestry Service land and has unlimited public access with the exception of the administrative area.
